But there comes the rub, Can the advocates of "State Rights," and "State Sovereignty" be brought to surrender their cherished dogmas, and consent to an "obliteration of State lines?" Scarcely, we think, and hence in the very outset the sale planted divicion and discord of sentiment. Far seeing men like Mr. Barslow, will have no confidence in any form of government less solid; while other revolutionists, discontented if their section does not get all its demands, will fly off from the league, and form new combina

Miscellaneous

The Assacasamin of Layacades. There is a grow-ing isodiancy in this age to appropriate the most ax-pressive words of other languages, and after a while to incorporate them into our own; thus the word Cap-hallo, which is from the Greek, signifying "for the head," is now becoming popularized in connection with Mr. Spaiding's great Hoadache remedy, but i will soon be used in a more general way, and the word Cophalic will become as common as kilectrotype, and many others whose distinction as foreign words has been worn away by common us-ge until they seem "mative and to the manor byrn."

If PHEADACHE is the favorite sign by which nature makes known any deviation whatever from the natural state of the brain, and viewed in this light it may be locked on as a safeguard intended to give motion of disease which might otherwise escape attention, till too late to be remedied; and its indications should nover be neglected. Headaches may be classified under two names, viz: Symptomatic and Idiopathic.—Symptomatic Headache is exceedingly common and is the precursor of a great variety of diseases, smofig which are Apoplexy, Gous, Rhematism and all febrite disease. In its nervous form it is sympathetic of disease of the stomach constituting sick headache, of hepatic disease constituting bilious headache, of worms, censtipation and other diseases of the bewels, as well as renal and uterine affections. Diseases of the heart are very iroquently attended with Headache is also very common, being usually distinguished by the sume of assesses headache, sometimes coming on sudd viry in a state of apparently sound health and presenting at once the mental and physical energies, and in other instances it comes on slowly, heralded by dupression of apparently sound health and presenting at once the mental and physical energies, and in other instances it comes on slowly, heralded by dupression of apparently sound for timper. In most instances the pain is in the frort of the head, over one or both eyes, and sometimes provoking vomiting; under this class may also be named Neuralpie.

For the treatment of either class of Headache the Cephalic Pills have been found a sure and safe remedy, relieving the most acute pains in a few minutes, and by its subtite power evadicating the diseases of which hea fache is the unerring index.

The disordered state of mind and body incident to this distressing complaint is a fatal blow to all energy and ambition. Sufferers by this disorder as a slways obtain speedy rolioffrom those distressing attacks by using one of the Cephalic Pills whenever the symptoms appear. It dilets the overtasked brain, and soother the strained and jurring nerves, and reluxes the tensor of the stomach which always accompanies and appair vates the disordered condition of the brain.

Pact wourn growing.—Spaiding's Cophalic Pills area certain care for sick houdanhs, bilious headachs, nervous headache, costiveness and general debility.

Ganar Discovery.—Among the most important of all the grout medical discoveries of this age may be considered the system of varcination for protection from Small Pox, the Cephalle Pill for relief of head-ache, and the use of Quinles for the prevention of Fovers, either of which is a size specific, whose ben-edits will be experienced by suffering humanity long-after their discoverers are forgotten.

If I is you ever have the sick Hendache? Boyou remember the throbbing temples, the fevered brow, the loathing and disgust at the sight of foot. How totally unit you were for pleasure, conversation or tudy. One of the Cophalic Pills would have relieved you from all the suffering which you then experienced. For this and other purposes you should always have a box of them on hand to use as occasion requires.

By the use of these Pills the periodic attacks or Nectors or Sick Headachs may be prevented; and takes at the commencement of an attack immediate relief from pain and sick ness will be obtained.

They seldom fall in removing the Nauses and Head-scale to which for aller are so subject.
